

From the Admin Team – Stephen McGoldrick, Louise Simms, Callie Sparling

END OF TERM 2/SEMESTER 1

What a terrific first semester! Thank you to students, parents and teachers for the work you put in to make our school a great school. Our Prep students now have 6 months of schooling under their belt – only 150 to go!

Report cards will be sent home tomorrow, in a sealed envelope. This is the last report that will be sent home in this fashion. From the end of the year reports will be distributed via Email/QParents.

We wish all families and school community members a safe, relaxing and warm winter vacation. School recommences Monday 16 July.

NO ASSEMBLY THIS WEEK - There will be no Assembly this Wednesday 27 June.

OBSTACOOOL FUNDRAISER - This fundraiser has been postponed until Term 3.

PREP ENROLMENTS 2019

Scarborough State School is taking enrolments for 2019. For a child to be eligible for Prep next year, he/she must be born between **1 July 2013 and 30 June 2014**. It is a legal requirement that proof of age is produced to enable enrolment at school. **Failure to produce evidence of date of birth may lead to the enrolment process being postponed.** To avoid the back to school rush, we encourage you to apply for a birth certificate now.

Education Queensland Policy states that *“Enrolment may not be approved without enrolling staff sighting the prospective student’s birth certificate. An alternative to birth certificate will be considered where it is not possible to obtain a birth certificate (e.g. prospective student born in country without birth registration system. Passport or Visa documents will suffice). **This does not include failure to register a birth or reluctance to order a birth certificate.** For International students approved for enrolment by EQI, a Passport or Visa will be acceptable.”*

Office Housekeeping – Linda, Jo & Angela

UPCOMING EXCURSION/ACTIVITY REMINDERS

- Minimum EFTPOS payment is \$10. The balance of invoice will be credited to student’s account – if you would like to use all/part of this credit for an upcoming excursion, please send an email giving our Payment Officer permission to do this. (Email Address: info@scarboross.eq.edu.au)
- Late payments will not be accepted unless prior arrangements have been made with the Office
- If you are experiencing financial hardship, please contact our office on 34803333

	Payment	Consent + Medical
➤ Year 6 Camp Deposit	✓	N/A at this stage
➤ Year 4 PCYC Bike Education	✓	✓

State Schools Update

School newsletter, social media and website is a great way to keep parents, carers and the wider school community informed about what’s happening, student opportunities and other pertinent information.

Queensland parents to have their say on NAPLAN

Parents, caregivers and community members are invited to provide their feedback on NAPLAN and its role in meeting the needs of Queensland students and schools. Led by independent reviewer Dr Gabrielle Matters, the evaluation will involve

state, Catholic and independent schools to ensure a broad view of parent opinions are captured. An [online survey](#) is currently available to give as many people as possible the opportunity to have their say. In Term 3, 2018, the evaluation will focus on gathering the feedback of school leaders, communities and stakeholders.

Time Out – protect students from spreading infectious diseases

When your child is ill, look after them at home to help reduce the spread of germs and prevent other children becoming ill. Keep surfaces, toys and equipment clean and encourage your child to wash their hands often, even when they feel well. If your child is suffering from a virus, gastroenteritis or another illness, there are rules about when they can return to school. [Learn more](#) about symptoms and exclusion rules in Queensland and take your child to the doctor if you are concerned.

NDIS Supported School Transport discussion paper out now

As the National Disability Insurance Scheme (NDIS) is rolled out across Australia, stakeholder feedback is being sought to inform how supported school transport could work in the NDIS or whether current arrangements should be retained. Visit www.engage.dss.gov.au and click on the NDIS Supported School Transport tab to have your say.

To allow time for governments to consider the outcomes of the consultation process, the Queensland Government will continue to deliver school transport assistance for students with disability until at least 31 December 2019.

How you can protect your child from infectious illness

Many childhood diseases can be prevented with vaccines. Make sure that your children are immunised according to the schedule. Talk to your doctor or call the helpline at 13 HEALTH (13 43 25 84)

Let's work together to reduce the spread of childhood illness.
